TRANSPORTATION ARRANGEMENTS

For the safety of your child, it is very important that we know and can identify persons who will pick-up your child after school or during the school day.

Please list any persons you authorize below (in addition to yourself) and provide a driver's license photocopy of each. (If we already have the photo from last year, you do NOT need to submit another one.)

If you do not have access to a photocopier, come to the school office where we will copy the identification for you. Please return this form on or by the first day of school.
